

Advancing Your Education Has Never Been Easier

We're invested in you and your future growth.

Our new marketplace for tuition reimbursement, Workforce Edge, gives you access to a variety of degree, non-degree, and skill building options, to help you unlock your individual potential and grow your career.

Get Expert Guidance

You don't have to go it alone. Workforce Edge advisors specialize in helping employees find eligible programs and navigate benefits. Reach out via phone, e-mail, or chat for personalized support.

1

Create an Account

Get started in minutes with a free online account to unlock your education benefits.

2

Find a Program

Browse the marketplace to find the program that best suits your career goals.

3

Check Eligibility

Submit an eligibility request form. Your administrative team will review to ensure policy requirements are met.

4

Enroll and Complete

Enroll in your chosen program and submit enrollment documentation through Workforce Edge.

5

Submit Grades

Once complete, submit proof of course completion through Workforce Edge.

6

Get Money Back

Your benefit administrator will review your grades and proof of completion. Once approved, you will receive your reimbursement!
