Start a Career Behind the Image

Radiologic Technology Program Virtual Information Session

Join us to learn how you can become a radiologic technologist, a vital member of the healthcare team.

Wednesday, November 18

Choose the session that works best for you

Morning Session
10:00 a.m.

Evening Session
6:00 p.m.

Online via Microsoft Teams | Link provided after you RSVP

What You'll Learn

- How the program works: curriculum, clinical rotations and length
- Admission requirements and application deadlines
- Tuition, financial aid and scholarship options
- Certification and licensure (ARRT exam eligibility)
- Career paths, job outlook and advanced modalities like CT, MRI and mammography

Meet Our Team

Ask questions live and hear directly from program faculty

Why Radiologic Technology?

- Strong, steady demand for qualified technologists
- Hands-on clinical experience in real healthcare settings
- A rewarding career helping patients and physicians diagnose and treat
- Opportunities to specialize and advance
