

Aggressor - I said don't touch me!

Nurse Manager - Sir you cannot...

Aggressor - Get him here now! Get Dr. Willis here now!

Nurse Manager - Stop. Stop.

Aggressor - Call him.

Nurse Manager - You cannot scare my staff and my patients.

Aggressor - Get away from me, get out of my face!

Nurse Manager - Do not scare my staff and patients!

Aggressor - Are you stupid?

Nurse Manager - No, you need to stop.

Aggressor - Are you stupid, get away from me!

Nurse Manager - Stop going in my patient rooms.

Aggressor - Is he on this unit?

Nurse Manager - This is uncalled for, knock it off. This is enough!

Aggressor - Get him here now! Get away from me.

Nurse Manager - Please stop, please.

Nurse Manager - Stop going in--

Aggressor - Get him here now!
