SUMMA HEALTH SYSTEM FINANCIAL ASSISTANCE POLICY

PURPOSE:
The purpose of this policy is to define the Summa Health System financial assistance program and process for applying.

POLICY:
Summa Health System is committed to providing financial assistance responsive to the needs of the community, to patients who have sought Emergent or Medically Necessary care but have limited means to pay for their care. Summa Health System will provide, without discrimination, emergency medical care or medically necessary care to individuals regardless of their ability to pay, or their eligibility under this policy.

FINANCIAL ASSISTANCE RELATED POLICIES:
Summa Health System offers other options for uninsured or underinsured patients who do not qualify for financial assistance under this Financial Assistance policy. For further information, please see the following Summa Health System policies:

- Summa Health System Medical Screening Policy (EMTALA) – Consistent with EMTALA, any individual who comes to Summa Health System Property or Premises requesting an emergency examination or treatment, or a request is made on the individual’s behalf is entitled to and shall be provided an appropriate Medical Screening Examination regardless of their ability to pay.

- Summa Health System Billing and Collections Policy – Summa Health System will not engage in Extraordinary Collections Actions such as reporting to credit agency(ies), selling an individual’s debt to another party, deferring, denying, or requiring a payment before providing medically necessary care due to nonpayment of a previous bill, or actions that require a legal or judicial process, before it makes a reasonable effort to determine if a patient is eligible for financial assistance under this policy. Collection activity, including any Extraordinary Collections Actions, will proceed as described by Summa Health System’s Billing and Collection policy.

- Summa Health System HCAP Policy – Summa Health System is a participant in HCAP, the Ohio Hospital Care Assurance Program. HCAP covers basic, medically necessary hospital level services.

- Summa Health System Uninsured Discount Policy – Uninsured patients who do not receive a discount under HCAP or Summa Health System’s Financial Assistance policy are eligible for the Uninsured Discount for emergent or medically necessary services.

Non-medically necessary services are not covered under the Financial Assistance Policy.

Providers Covered by Summa Health System’s Financial Assistance Policy
Detailed lists of Providers by name both covered and not covered by the Summa Health System’s Financial Assistance policy can be found at:
https://www.summahealth.org/patientvisitor/insuranceandbilling/financialassistance

The lists are accurate as of the date listed, and shall be updated when necessary, but no less frequently than quarterly. The actual discount percentages may vary for each of the providers listed, as each may have a unique Amount Generally Billed.
Further, this policy:

- Includes eligibility criteria for financial assistance
- Describes the basis for calculating amounts charged to patients eligible for financial assistance under this policy
- Describes the process for individuals to apply for financial assistance
- Describes the actions taken during the financial assistance application process
- Describes how Summa Health System will widely publicize the policy within the community

1. Eligibility for Financial Assistance

Financial Assistance will be considered for those individuals who are uninsured or underinsured with medical costs and who are unable to pay for their care, based on determination of financial need in accordance with this policy. This may include any of the following conditions:

a. Individual has no third-party insurance coverage
b. Individual is eligible for public assistance but a particular service is not covered
c. Medicare or Medicaid benefits have been exhausted and the individual has no further ability to pay
d. Individual is insured but qualifies for assistance based on financial need to pay for the individual’s balance after insurance
e. Individual meets Ohio’s Hospital Care Assurance Program (HCAP) requirements

2. Eligibility Criteria

a. Federal Poverty Limit Guidelines, definitions of family size and household income are used to determine an individual’s eligibility (see Attachment A)

b. Summa Health System calculates the amount generally billed using the look-back method based on claims allowed by Medicare fee-for-service during a 12-month rolling period. See Appendix A for a detailed explanation of how the amount generally billed is calculated.

c. Summa Health System Financial Assistance- the individual’s household income must be greater than 250% and less than or equal to 400% of the current Federal Poverty Limits (FPL) to be eligible for a reduction (see Attachment A). No patient eligible for Financial Assistance will be charged more than the Amount Generally Billed (AGB). This results in a partial adjustment to billed charges for individuals with no insurance, or a partial adjustment to billed charges for individuals with insurance on the remaining patient responsibility after insurance payment.

d. Summa Health System Financial Assistance- the individual’s household income must be at or below 250% of the current Federal Poverty Limits (FPL) to be eligible for 100% reduction from applicable charges. This results in a full adjustment to billed charges for individuals with no insurance or a full adjustment to billed charges for individuals with insurance to the remaining patient responsibility after insurance payment.

e. Financial assistance application forms will be considered up to a minimum 240 days after the first post discharge billing statement, and considered valid up to six (6) months after the last date of application approval.

f. Income may be verified by requesting a personal financial statement or obtaining copies of the applicants most recent Form W-2, most recent tax form, bank statements or any other form of documentation that supports reported income. Summa Health System may accept verbal clarification of income, family size or any information that may be unclear on the application.
g. Documentation received supporting income verification and available assets is to be maintained in patient files for future reference.

h. Ohio’s Hospital Care Assurance Program (HCAP) - Individuals at or below 100% the Federal Poverty Limit (FPL) may be eligible for this State of Ohio program which includes emergent and medical necessary services.

i. Summa Health System reserves the right to consider a discount or discounted care to any individual who may fall outside of the parameters set forth in this policy, where such individual who has been identified, in the sole discretion of Hospital Facility and approved by the System Director having exceptional medical circumstances (i.e. terminal illness, excessive medical bills and/or medications, etc.).

3. Applying for Financial Assistance
   a. A patient will complete the Summa Health System financial assistance application form.
      i. Presumptive eligibility may be used to justify and document financial assistance in certain circumstances (e.g., patient is homeless) in the absence of a completed financial assistance application form.

      ii. Summa Health System may utilize available resources (e.g., technology solutions, service organizations, etc.) to obtain such information as propensity to pay in order to assist determining whether a patient is presumed eligible for financial assistance.

b. Patient Financial Advocates are available to provide assistance completing the financial assistance form. See page 6 for more information about Patient Financial Advocates.

4. Summa Health System Actions Taken During Financial Assistance Application Process
   a. Summa Health System’s Financial Assistance Policy is offered:
      i. Included on Conditions of Registration Form.
      ii. Included on the patient billing statement.
      iii. Published https://www.summahealth.org/patientvisitor/insuranceandbilling/financialassistance

If no financial assistance application form has been submitted in at least a 120-day period following the date after the first post-discharge billing statement, Summa Health System may follow the actions noted in the Billing and Collection Policy.

b. Incomplete financial assistance application form submitted- When an incomplete financial assistance application form is submitted during the minimum 240-day period following the date on of the post-discharge billing statement (the application period), Summa Health System will:

   i. Provide the individual with a written notice that describes the additional information and/or documentation required under the Financial Policy and Form.
   ii. If the individual does not provide the information needed to complete the financial assistance assessment within a reasonable timeframe, the hospital may initiate or resume actions noted in the Billing and Collection Policy without benefit of a discount.
c. Complete financial assistance application form submitted- Summa Health System will take the following actions:

   i. Suspend any Extraordinary Collection Actions, if taken
   ii. Suspend any collection activity during the time the Summa Health System financial assistance application form is being processed
   iii. If the account is placed with a collection agency, the agency will be notified to cease the collection efforts when determination is made
   iv. Make and document determination of eligibility decision
   v. Notify the individual on a timely basis of the eligibility determination
   vi. When applicable, provide the patient with a billing statement that indicates the balance after application of Financial Assistance
   vii. Refund any excess payments to the individual
   viii. Take reasonable action to reverse any Extraordinary Collections Actions taken against the individual

5. Notice to Ohio Residents-Ohio Hospital Care Assurance Program (HCAP):

Summa Health System provides, without charge to the individual, basic, medically necessary hospital-level services to individuals who are residents of Ohio, are not Medicaid recipients, and whose income is at or below the federal poverty line. Covered services are inpatient and outpatient services covered under the Ohio Medicaid Program, with the exception of transplantation services and services associated with transplantation. Recipients of Disability Financial Assistance qualify for assistance. Ohio residency is established by a person who is living in Ohio voluntarily and who is not receiving public assistance in another state. Requests for financial assistance for Ohio residents are processed for HCAP first, and then are otherwise subject to the provisions of this Financial Assistance Policy.
