Standard Parking®

MONTHLY PARKER AGREEMENT

The card(s) will be operational when the first payment is received and the garage manager is furnished with the vehicle information. The monthly payment is due in advance, by the first business day of the month. If the payment is not received by the fifth business of the month, your access card will be deactivated and you will have to pay the daily rate until full monthly payment is made. Monthly parking is sold to customers as a convenience so that they will not have to be concerned with paying daily, but STANDARD PARKING cannot "finance" their parking for several days into the new month.

The owner/operator acknowledges and agrees that STANDARD PARKING shall not be responsible or liable for the loss of or damage to vehicles or articles of personal property left in vehicles parked in the premises, and each vehicle is parked at owner's and/or operator's risk.

The Parking Manager must be notified immediately if information furnished in the agreement/contract changes or if the vehicle will be left unattended for more than seven days. Vehicles parked for more than seven days without Manager's prior approval may be ticketed or removed from the garage at owner's expense.

Parking in unauthorized reserved or patient/visitor stalls will result in your vehicle being towed from the facility at your expense. Parking in a handicapped stall without a permit will result in a police ticket and fine.

The Parking Manager must be notified in advance of cancellation. The card(s) are the property of Summa and must be deactivated in order to cancel your Monthly Parker agreement.

Your signature on this agreement/contract acknowledges that you have read and understand the terms and conditions of this contract. There are no outside conditions, warranties, verbal agreements or understandings.
