Full List of Presentations for the Center for Cardiopulmonary Research

Hughes J, Assessing and Managing Depression in Cardiopulmonary Rehabilitation: An Optimistic Perspective, Invited Speaker, American Association of Cardiovascular and Pulmonary Rehabilitation Annual Conference October 7-9, 2010 Milwaukee, WI

Rosneck, J. Connecting Teaching to Learning and Behavioral Change in Cardiopulmonary Rehab: Meeting the Needs of the Adult Learner. Invited Speaker, American Association of Cardiovascular and Pulmonary Rehabilitation International Webinar April 29, 2010

Khan MS, Pohle-Krauza RJ, McCarroll ML, Krauza M. The Effect of Antioxidant Intake on Pulmonary Function in Chronic Lung Disease Accepted for presentation at the American College of Chest Physicians November, 2010; Vancouver, BC

Krauza ML, McCarrill ML, Pohle-Krauza RJ, Volsko TA, Tessmer KA The Effects of Different Carrying Positions of Portable Oxygen Containers (POCs) On Energy Expenditure In Healthy Subjects. Presented at annual meeting of the American College of Chest Physicians (October 2009; San Diego, CA)

Scotto, C. Patients’ perception of monitoring during cardiac rehabilitation: Taking the message home. Midwest Nursing Research Association Annual Conference, March 28, 2009 Minneapolis, Minnesota

Gunstad J, Spitznagel M, Stanek K, Luyster F, Rosneck J, Waechter D, Josephson R. 2008 Hydration and Cognitive Function in Older Adults with Cardiovascular Disease Poster session presented at the American Psychological Association conference, Boston, MA

Hughes J, Casey E, Doe V, Glickman E, Stein P, Waechter D, Rosneck J, Josephson RA. (2008). Physical Activity and Fitness Help to Explain the Association of Depression and Heart Rate

Keary T, Gunstad J, Hughes J, Waechter D, Josephson R, Rosneck J. Heart Rate Recovery and Cognitive Function in Older Adults with Cardiovascular Disease *Poster presented at the Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation, Indianapolis, IN September 18-20, 2008*

Scotto C, Waechter D, Rosneck J 2008 The Lived Experience of Adherence for Patients with Heart Failure. *Poster presentation at the Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation, Indianapolis, Indiana, September 18-21, 2008*

Casey E, Hughes J, Rosneck J, Waechter D, Josephson R. Screening for depression in cardiac rehab using three items *Poster presentation at the 2007 Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation Salt Lake City, UT. 2007*

Gunstad J. Neurocognitive Aspects of Cardiovascular Disease and Obesity  
*Summa Health System Department of Psychiatry Grand Rounds Healthy Body and Healthy Mind: 2007*

Casey E, Hughes J, Rosneck J, Waechter D, Josephson R. Screening for depression in cardiac rehab using three items 
*Poster presentation at the 2007 Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation in Salt Lake City, UT 2007*

*Oral presentation and poster presented at the NEOUCOM Summer Research Fellowship Poster Day, Rootstown, Ohio, August 30, 2006.*

Bartley A, Waechter D, Rosneck J, Josephson R. Longitudinal Study of Cardiac Rehabilitation (CR) Patients across Three Administrations of the BDI and SF-36 
*Poster presentation at the Annual AACVPR Conference, September, 2006 in Charleston, WV*

*Preventive Cardiology 10, 64-67*

Hughes J, Bartley A, Casey E, Luyster F, Rosneck J, Waechter D, Josephson R.  (2006) Depression Symptoms are not a Major Impediment to Enrollment in Phase-II Cardiac Rehabilitation  
*Poster presentation at the Annual AACVPR Conference, September, 2006 in Charleston, WV*

Rosneck J, Waechter D, Josephson R. Exercise Motivation: Differential Effects of Pedometer Use in Cardiac Rehabilitation  
*Poster presentation at the Annual AACVPR Conference, September, 2006 in Charleston, WV*

Rosneck, J., Waechter, D., Josephson, R  Program Success Outcome Indicators in Cardiac Rehabilitation: A Delphi Study  
*Poster presentation at the Annual AACVPR Conference, September, 2006 in Charleston, WV*

Gunstad J, Luyster F, Hughes J, Waechter D, Rosneck J, Josephson R  The effects of obesity on functional work capacity and quality of life in phase-II cardiac rehabilitation  
*Poster presentation at the 2006 Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation in Charleston, WV 2006*

Bartley, A., Waechter, D., Rosneck, J., Josephson, R. Impact of Family to Medical Adherence in Cardiac Patients  
*Paper presentation at the 64th Annual Conference of the American Association of Marriage and Family Therapists: October 19-22, 2006 Austin, Texas*

Meyer I, Josephson R.  Utility of Repeated Stress Testing for Recurrent Chest Pain  Presentation at Summa Health System’s Post Graduate Day, June 6, 2005

Hughes, J., Waechter, D., Rosneck, J., Josephson, R., Summa Health System. Patient characteristics in 1014 consecutive phase II outpatient cardiac rehabilitation patients: the old-old, the young-old, and the young. Poster presentation at the 2004 Annual Meeting of the American Association of Cardiovascular and Pulmonary Rehabilitation in Long Beach, CA

Waechter, D., Rosneck. J., Hughes, J., Josephson, R. Contrasting Mental Health and Physical Functioning Quality of Life between the Old Old (≥75 Years) and General Phase II Cardiac Rehabilitation (CR) Population Paper presented at the 8th World Congress of Cardiac Rehabilitation & Secondary Prevention, May 23rd - 26th 2004  Dublin, IE

Hughes JW. (2004). Hostility is associated with blunted beta-adrenergic receptor responsiveness. Presentation at the 8th annual research and scholarly activities day NEOUCOM Department of
Psychiatry

Josephson RA. “A comprehensive study of the predicted relationship between improvements in physical ability and improvements in quality of life indicators An application of Ware’s model” *The Mercy Health Partners 3rd Annual Research Symposium Toledo OH February, 2003*

Josephson RA. “The relationship between cardiac rehabilitation intervention and quality of life indicators: An application of Ware’s model.” *The Mercy Health Partners 3rd Annual Research Symposium Toledo, OH February, 2003*

Stanek K, Gunstad J, Waechter D, Josephson R, Rosneck J. Cardiac Rehabilitation Improves Memory in Older Adults with Cardiovascular Disease Poster presented at the American College of Cardiology 57th Annual Scientific Session in Chicago, March 29 – April 1, 2008.
